

OC Africa

One Challenge. Reaching the world together.

in partnership with MANI and WENSA

"Go North" South to North Africa Partnership (S2NAP) Consultation

Matthew 9:35

"The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send laborers into his harvest."

John 4:35

"Do you not say, 'There are yet four months, then comes the harvest? Look, I tell you, lift up your eyes, and see that the fields are white for harvest...'"

We desire to draw people into the partnership who share the "Go North Vision", whatever stage they may be at in the work of mobilization of the African Church.

We desire to grow the partnership so that we can share knowledge and experiences, practices and resources, and inspire others through North Africa Consultation-NAC, Movement for African National Initiatives-MANI and other God given initiatives and opportunities.

We seek to encourage and help facilitate relationships between church leaders from North Africa and Sub Saharan. We will be depending heavily on the guidance of the Holy Spirit, the wisdom and experience of our North African brethren as we move forward.

Matthew 24:14

"And this gospel of the kingdom will be proclaimed throughout the whole world as a testimony to all nations, and then the end will come."
